Definition

The JSCP is a CJCS instruction that initiates the deliberate planning process for the development of operation plans to support national security objectives.

n other words, it...

- **provides full-spectrum planning guidance from peacetime security cooperation through nuclear response planning**
- **provides the strategic direction necessary to coordinate the planning efforts of the combatant commanders**
- **specifies regional objectives, minimum required regional tasks, planning assumptions, and apportions major combat forces and strategic lift for planning purposes**

Overview

Flexible Planning Process

Premise:

That a crisis can arise under a variety of circumstances that will, in turn, elicit a variety of likely responses.

Flexible Planning Process

<u>Situation</u>	<u>Response</u>
1 Peacetime Instability	= Flexible Deterrent Operations
2 Crisis/Imminent Conflict	= Deploy Decisive Forces
3 No Warning Attack	= Counter Attack

Flexible Planning Process

Flexible Planning Process

Flexible Deterrent Options

- **Facilitate early decision making**
- **Rapidly executable**
- **Tailored to send “the right message”**
- **In-theater, brigade/squadron level forces**
- **Forces not placed in jeopardy**

EXAMPLES OF REQUESTED *ECONOMIC* FLEXIBLE DETERRENT OPTIONS

- FREEZE MONETARY ASSETS IN THE US
- SEIZE REAL PROPERTY IN THE US
- FREEZE INTERNATIONAL ASSETS WHERE POSSIBLE
- EMBARGO GOODS AND SERVICES
- ENACT TRADE SANCTIONS
- CANCEL US-FUNDED PROGRAMS
- ENCOURAGE CORPORATIONS TO RESTRICT TRANSACTIONS
- REDUCE SECURITY ASSISTANCE PROGRAMS
- HEIGHTEN INFORMATIONAL EFFORTS DIRECTED AT:
 - FINANCIAL INSTITUTIONS QUESTIONING THE SOUNDNESS OF CONTINUING ACTIONS WITH THE OPPONENTS' BUSINESSES
- REDUCING OR ELIMINATING CORPORATE TRANSACTIONS

EXAMPLES OF *MILITARY* FLEXIBLE DETERRENT OPTIONS

- EMPLOY REDILY IN-PLACE ASSETS
- UPGRADE ALERT STATUS
- INCREASE STRATEGIC RECONNAISSANCE
- INCREASE COLLECTION EFFORTS
- INITIATE OR INCREASE SHOW OF FORCE
- EMPLOY ELECTRONIC MEASURES
- CONDUCT AIRCRAFT FLY OVERS
- INCREASE EXERCISE ACTIVITIES, SCHEDULES, AND SCOPE
- MOVE MPS TO REGION
- DEPLOY SURFACE ACTION GROUP TO THE REGION
- DEPLOY CVBG TO REGION
- BEGIN MOVING FORCES TO AIR AND SEA PORTS OF EMBARKATION
- MOVE MARINE EXPEDITIONARY BRIGADE TO REGION
- DEPLOY THE FORWARD DEPLOYED ARG/MEU TO THE REGION

Flexible Planning Process

Flexible Planning Process

“Deploy Decisive Force”

To take actions including the rapid deployment of sufficient and supportable war fighting force to a crisis region in order to defend U.S. interests, followed by sufficient additional force to end the conflict quickly and on terms favorable to the United States.

Flexible Planning Process

“Counterattack Response”

An attack against U.S. forces or vital interests without prior warning or deterrent moves. War starts before deployment. Documented as a ConOps in the Combatant Commander’s plan.
